### TURKEY STUFFING RECIPE

- 12 -16 pound Turkey
- 1 loaf of Great Harvest MayFlour Bread\*
- 1 stick or ½ cup of Sweet Cream Butter
- 1½ - 2 cups Chicken Broth or water reserved from giblets

Slice the loaf into 2" cubes and store in a brown paper bag for 3-4 days. Before preparing stuffing (or you can dry in the oven for 3 hours at 200°), place cubes in a large bowl and add in 1 stick of butter that has been cut into small pieces. Add enough chicken broth or giblet water to moisten cubes. (Optional: add chopped walnuts or dried cranberries for a mouth-watering feast.) Place stuffing inside of turkey cavity and bake as normal.
